SUBJECT : Jordan Waters: As Discussed with French during Helou Visit

REF : Paris' 6458

Department appreciates the information contained in reftel on the Jordan waters issue as discussed during the Helou visit. As we may soon expect to hear from Israelis their account of what the French and Lebanese said to each other we would welcome any further details the Embassy is able to glean directly from the French. Further details on the argumentation used by the French would be especially appreciated.

For Beirut. Reported Lebanese unresponsiveness on Jordan Waters is difficult to understand especially with the presence of Bizri indicating the Lebanese were primed to discuss issue. Welcome any further information and Embassy comment.
